# CHILD'S IMMUNISATION STATUS

## IMMUNISATION RECORDS

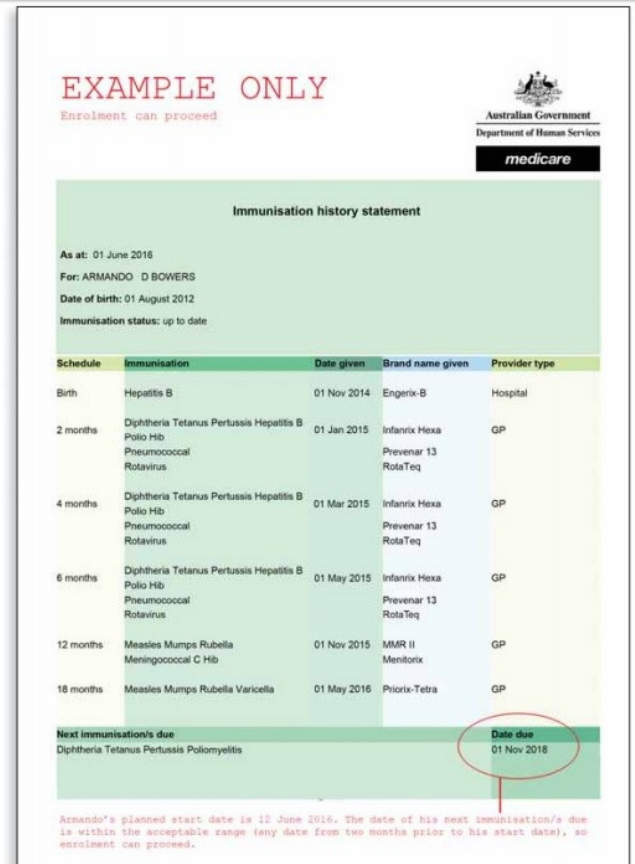

HAS YOUR CHILD BEEN IMMUNISED AS SET OUT IN THE AUSTRALIAN IMMUNISATION SCHEDULE? YES  NO

Under the No Jab, No Play legislation, all children enrolling in early childhood services will have to submit evidence that shows the child is fully up to date with immunisations.

An immunisation history statement (photo on right) from the **Australian Childhood Immunisation Register** must be provided as evidence.

These statements are available at any time by accessing Medicare via the MyGov app, phone, email or online. The centre cannot accept a child health record book or any document from a practitioner as alternative evidence.

**Your child's enrolment will not be processed if you have not attached an up-to-date Australian immunisation statement.**

**PLEASE NOTE:** Victoria's *No Jab No Play* laws are aimed at increasing childhood immunisation rates across Victoria. Children will need to be fully immunised for their age to be enrolled in an early childhood education and care service. The law allows children experiencing vulnerability and disadvantage to be enrolled under a grace period provision, striking a sensible balance between protecting children's health and allowing access to early childhood education and care services.

## DEFINITIONS

### Authorised Nominee/s

*Authorised Nominee means a person who has been granted permission by a parent or family member to collect the child from the education and care service (Section 170(5) of Education and Care Services National Law Act 2010).*

### Family Member/s

*'Family Member' as defined in Education & Care Services National Law 2010; Section 5 'family member' in relation to a child, means:*  
 (a) a parent, grandparent, brother, sister, uncle, aunt, cousin of the child, whether of the whole blood or half-blood and whether that relationship arises by marriage (including a de facto relationship) or by adoption or the otherwise; or  
 (b) a relative of the child according to Aboriginal or Torres Strait Islander tradition; or  
 (c) a person with whom the child resides in a family-like relationship; or  
 (d) a person who is recognised in the child's community as having a familial role in respect of the child.

### Parental Responsibility

*The term 'parental responsibility' is defined in the Family Law Act 1975 as "all duties, powers, responsibilities and authority which, by law, parents have in relation to children". All parents have powers and responsibilities in relation to their children, which can only be changed by a court order, parenting order or parenting plan. These powers and responsibilities are referred to as "parental responsibility". It is not affected by the relationship between the parents, such as whether or not they have lived together or are married. A court order, such as under the Family Law Act, may take away the authority of a parent to do something, or may give it to another person.*

### Guardian

*A guardian of the child also has parental responsibility. A legal guardian is given parental responsibility by a court order, parenting order or parenting plan. The definition of "guardian" under the Education and Care Services National Law 2010 also covers situations where a child does not live with their parents and there are no court orders. In these cases, the guardian is the person the child lives with who had day-to-day care and control of the child.*
